RAJYA SABHA

The following Bills were introduced in the Rajya Sabha on the 21st February, 1986:—

Ι

BILL No. I of 1986

A Bill further to amend the Constitution of India.

BE it enacted by Parliament in the Thirty-seventh Year of the Republic of India as follows:—

1. This Act may be called the Constitution (Amendment) Act, 1986.

Short title.

2. In article 310 of the Constitution, clause (1) shall be omitted.

Amendment of article 310.

3. In article 311 of the Constitution,-

Amendment of article 311.

(i) the second proviso to clause (2) shall be omitted; and (ii) clause (3) shall be omitted.

STATEMENT OF OBJECTS AND REASONS

The three provisions sought to be omitted had been bodily taken from the provisions made in the Queen Victoria's Proclamation of 1858 and the Government of India Act, 1935. These provisions affect the fundamental and democratic rights of the Central and State Government employees and workers, many of whom have already been arbitrarily removed from service under these undemocratic and anachronistic provisions. These provisions deprive the Government employees of protection in accordance with the principles of natural justice in as much as their services are placed at the mercy of the President or the Governor, as the case may be. In view of this position it is necessary that these provisions empowering the Government to dispense with the services of Government employees without giving them any opportunity of self-defence and without assigning any reason, should be deleted from the Constitution.

Hence, this Bill.

BILL No. II or 1986

A Bill further to amend the Constitution of India.

Be it enacted by Parliament in the Thirty-seventh Year of the Republic of India as follows: --

1. This Act may be called the Constitution (Amendment) Act, 1986.

Short title.

2. In article 248 of the Constitution, for clause (1), the following clause Amendshall be substituted, namely: -

ment of article

"(1) The Legislature of any State has exclusive power to make 248. any law with respect to any matter not enumerated in the Concurrent List or Union List".

3. In the Seventh Schedule to the Constitution,—

Amendment of

(i) In List I-Union List, entry 97 shall be omitted; and

the Seventh

(ii) In List II—State List, after entry 66, the following entry shall be inserted, namely:—

Schedule.

"67. Any other matter not enumerated in List I or in List III including any tax not mentioned in either of those Lists."

STATEMENT OF OBJECTS AND REASONS

Through successive Constitutional amendments the Centre has assumed more powers leaving little scope for the States to manage their affairs. This has resulted in a State of tension in Centre-State relations and has affected the federal polity of our country. The transfer of residuary powers from the Centre to the States is, therefore, the need of the hour.

Hence, this Bill.

STATEMENT OF OBJECTS AND REASONS

For a healthy democracy clean and honest public life is a must. The representatives of the people shou'd be above suspicion. It is at the level of Ministers including the Prime Minister and Members of Parliament that corruption has to be first stamped out lock, stock and barrel. It must appear that the Ministers and the Members are functioning honestly and that they have not misused their positions. It is, therefore, proposed to make it mandatory for every Minister and Member of Parliament to furnish a statement of his assets and liabilities and that of his family members from time to time to the respective Presiding Officers who will cause the same to be published in the Official Gazette and laid on the Table of the House.

The Bill seeks to achieve the aforesaid objectives.
